Tom –

Per our conversation, attached is the proposed additional service agreement that would be attached to the already existing agreement with Flock Safety. If you approve, we intend to move forward.

Thank you,

Dan

Good Afternoon Dan,

Here is the additional services form with the 30 opt out. Same deal as with the cameras. The city is agreeing to purchase the solution, but has 30 days to cancel for any reason.

Here is some information about advanced search:
